Cash Practice New Practice Survival

Many skeptics in the field of chiropractic say that it is difficult or impossible to survive in a cash practice. They say that people will not come into your office if they have to pay more than a \$5 dollar copay. Dr. Abblett proves all the naysayers wrong by having a thriving cash practice that is continuing to grow.

I have "retired" from an insurance-based practice seeing over a 100 patients a day with 5 CA's, an associate doctor, and two interns to working by myself without any staff seeing 25 patients a day and a 100% cash practice with NO stress and a 100% more fun! I could not have done that without CASH PRACTICE.

5 Secrets To Using An All Cash Practice To Explode Your Office With New Patients

If your practice is set up in an affluent area where patients have more disposable income, the cash-plan model works well. It is driven by numbers, however; if you have a few hundred patients paying \$100 a month, you'll be making \$240,000 to \$360,000 a year (a good start).
