The Essence of Masculine Paul Freeman's photographic art grows in stature and sophistication with every new book and OUTBACK CURRAWONG CREEK is an excellent example. His previous tour of the outback of Australia, simply titled OUTBACK, savoured the flavor of the wildness of the countryside of Australia, giving the hauntingly beautiful serenity of this land just the right amount of interest with the population of men at work.

Outback Currawong Creek (2009, first re-print 2018) With 170 art photographs of male nudes and portraits on large format art stock pages, this beautifully bound and dust-jacketed book continues Freeman's photographic story of hardworking and intimate male camaraderie in the Australian rural heartland

Outback - Currawong Creek — Paul Freeman Photography

Outback: Currawong Creek is widely considered to be the best of the bunch. I don't have to describe the contents other than to say he captures the beauty of his male subjects like few other photographers today. Of all his books I think this is the only one that has only been published once. That makes it all the more desirable.
